Best handpicked accommodation options

We understand the role accommodation plays on the overall travel experience. We handpick accommodation to suit a specific traveler and we ensure that it ticks off all his boxes. Request for it and we shall deliver. In case a preferred lodge/hotel is fully booked, we replace for a similar one for the same rate.

Water & Snacks

While on tour, we provide you with water and snacks like nuts, fruits, crisps and cookies. If you're interested in a particular snack by the roadside (usually rolex), we endeavor to pick a clean and safe stall from where to purchase one. Please inform us in advance of any food allergies/intolerance.

COVID-19 Safety Measures

All our staff especially guides and Meet & Greet Teams are regularly tested. In addition we provide masks, wipes and sanitizer. See our COVID-19 Policy

At the same time our emergency contact is always on 24/7 for you to reach us where needed even in the wee hours of the night as the tour goes on.

Great Memories

In a bid to have satisfied clients, we make every bit of our tours memorable all the way from the departure point. On all our tours including day excursions, there is a camera to capture your best moments, and we endeavor to send them to you at the end of your safari/vacation within the week of your departure. Our guides have great camera skills.

Privacy is Paramount

Please read our privacy policy and also feel free to request us not to share photos of your safari or even not taking any photos of you for personal reasons.
